## Dinghy Space Rental Rules

(Revised 3-31-14)

### A. Dinghy space locations and Fees

1. There will be eight in-water spaces on the south side of gangway at \$250.00 each.
2. The Club assumes no liability for any damage, theft, or other loss to a member's dinghy while in or out of the water at MYC.

### B. Rules

1. In-water spaces are for rigid hull or inflatable dinghies no longer than twelve feet.
2. Space assignments must be occupied by the dinghy owned by the member awarded the space.
3. Only one dinghy may be secured to a dinghy ring at a time.
4. Members must maintain their dinghies in a reasonable condition suitable for marine operation.
5. Members must maintain their dinghies in a reasonable condition to prevent damage to other dinghies.
6. Lower unit and propellers must be covered to prevent damage to other dinghies.
7. In the event the waterfront is closed because of inclement weather, members must remove their dinghies from club floats.
8. Fuel, oil or any petroleum product may not be stored on the float.
9. Dinghies must be stored in their assigned space at least thirty days per season.
10. Dinghy spaces may be "traded" between members with valid dinghy assignments.
11. Assignments must be renewed annually with a signed commitment by April 6<sup>th</sup>.
12. To keep their place on the wait list, dingy ring applicants must re-apply in writing each year by April 6<sup>th</sup>. There is no fee for re-application.
13. The Waterfront Committee may revoke a ring permit if a dingy owner does not comply with these regulations.
